

**THE COMMON CORE
CURRICULUM
“LESS MATH....DEEPER
MATH”**

Kindergarten to Grade 5

Bill Kendall & Heather Machado

Braintree Public Schools

Agenda

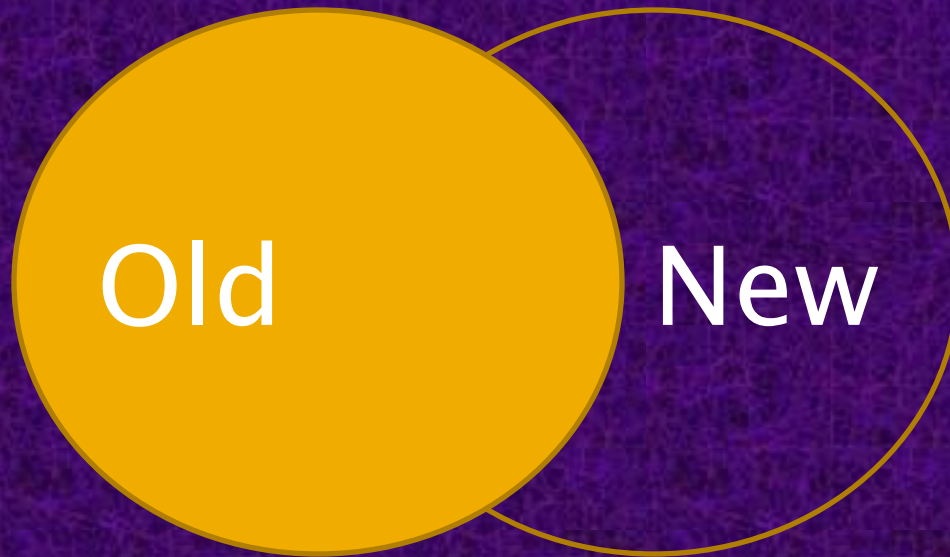

- 1) Assessment plan overview
- 2) Common Core layout
- 3) Grade by grade examination of the math curriculum in the Common Core K through 5 .

44 States + DC Have Adopted the Common Core State Standards

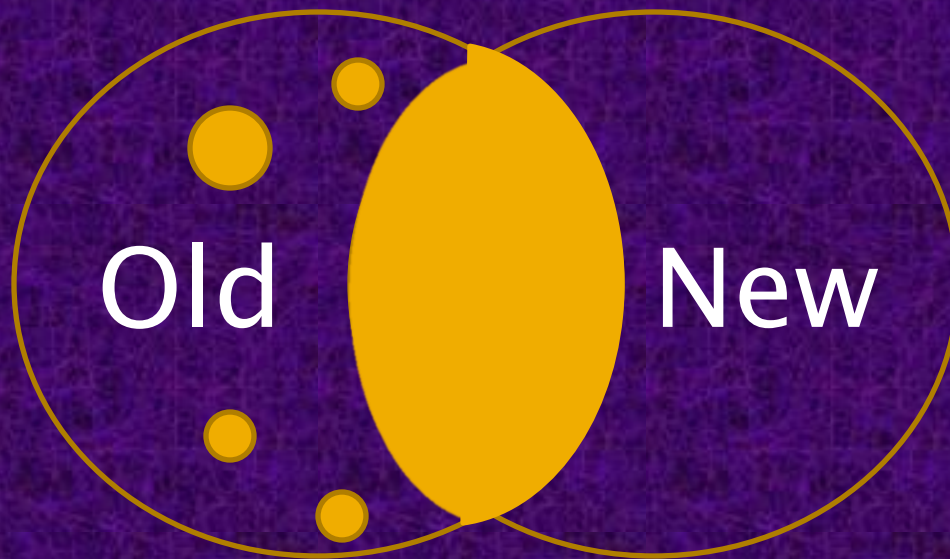

What is the Assessment Plan? The MCAS Plan?

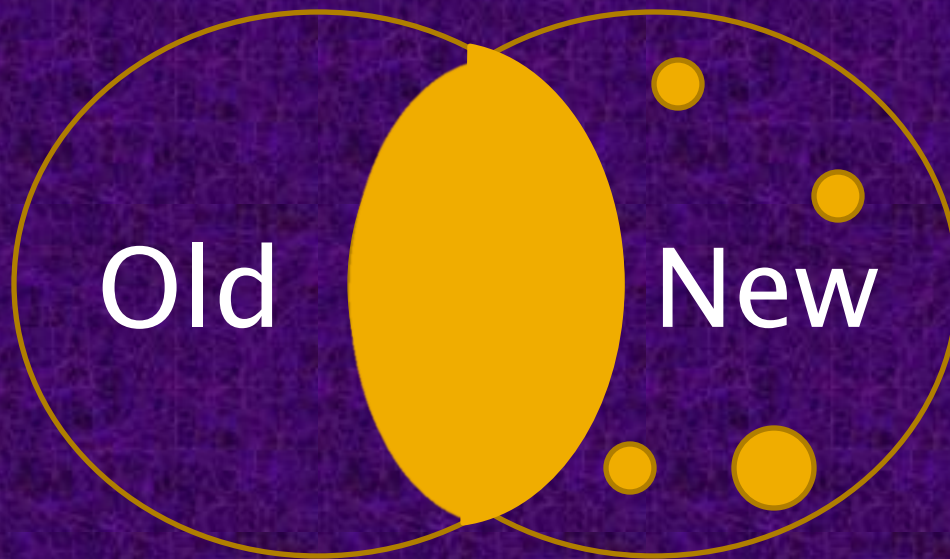

What is tested this year: 2011?

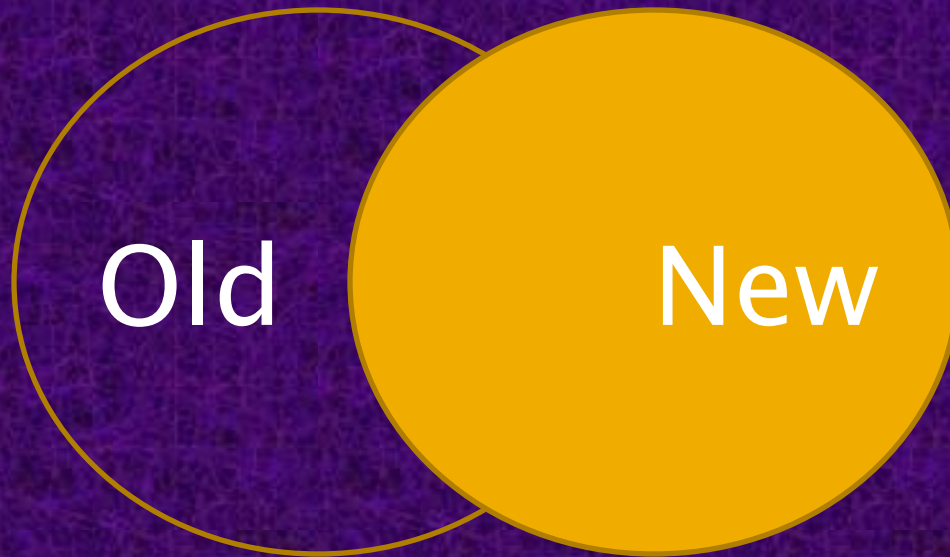

Next Year: 2012

Two Years: 2013

Three Years: 2014 and beyond

A quick overview of the Common Core

Every grade starts with a summary of critical areas.

**Followed by a grade
overview organized by
domains
and
cluster headings**

Notice
the Mathematic Practices
common across all grade
levels (K through 12)....

1. Make sense of problems and persevere in solving them.
2. Reason abstractly and quantitatively.
3. Construct viable arguments and critique the reasoning of others.
4. Model with mathematics.
5. Use appropriate tools strategically.
6. Attend to precision.
7. Look for and make use of structure.
8. Look for and express regularity in repeated reasoning.

Finally the grade standards....
